Grievance Redressal Cell

Grievance Redressal Cell is an important part of the administration of the Institution. Grievance Redressal Cell looks in the matter of complaints register by college students or any staff member. It ensures students and staff members a kind of security to work fearlessly and efficiently. The Institution established this cell in accordance with the UGC guidelines to redress the grievances of both staff members and students. All the members of the cell have been working under the guidance of the Principal. It takes a lot of efforts to maintain peace and harmony in the college campus.

Aims and Objectives of Grievance Redressal Cell:

- To develop a system for collecting grievance of staff and students
- To put complaint and suggestion box in the administrative building and Library to collect grievances
- To forward the findings of grievance to the Principal in case of students' grievances and to the Management in case of the staff member
- To create healthy environment in the college campus
- To conduct regular meetings to resolve grievances timely
- To maintain the record of the written documents
- To present the grievances to the concern against whom the complaint registered to avoid another complaint against the same person
