## **Bhai Kishanrao Deshmukh College, Chakur**

### **: About the College :**

BhaiKishanraoDeshmukh, Ex-minister the Govt.of Maharashtra and president of LokayatEducaton Society, Ahmedpurrealised the need of higher education to the people residing in draught prone area like Chakur . Considering the need of the people BhaiKishanraoDeshmukh along with the members of Lokayat Education Society,Ahmedepur established LokmanyaMahavidyalaya,Chakur(former name of this college)in 1990 at Chakur with its mission " Higher Education to Rural Masses," .Our college is a multi-disciplinary college.The area in which the college located is a drought prone, rural and educationally as well as socially backward area. Education to girls was mostly neglected by the society. Considering this crucial situation, Hon.BhaiKishanraoDeshmukh established various educational units at Ahmedpur and Chakur. There was no facility of higher education in the orbit of 40kms from Chakur. Therefore, Lokmanya Sr. College Chakur (former name of this college), with Arts and Commerce faculties, was started. The main objective of this institution is to bring these socially disadvantaged, educationally backward people at par with others through education.

This college is an 'oasis' in the educationally backward region. Since its inception, it has come a long way establishing it as a credible torchbearer of educational movement in rural backward region. This college has been steadily working for the empowerment of women and the upliftment of backward communities. As a result of the purity of heart, sincerity of purpose and commitment to work, we can achieve our goals. This college is recognized by NAAC in 2004 by rating the college B++ grade with the score of 82.25% which is very rare for colleges coming under rural area in the state. Immediately after the assessment of the college by NAAC, the college formed IQAC Cell as per the guidelines of NAAC in order to monitor overall functioning and quality substance of the college.
